Baku is the capital and largest city of Azerbaijan, as well as the largest city on the Caspian Sea and whole Caucasus region. The first European Games' right was given to Baku to host the first European Games on June 2015. The biggest stadium in Azerbaijan had been set up before the first European Games initiated. The capacity of this giant stadium is about 68.000. and is known Baku National Stadium. Hence, The Republic of Azerbaijan constructed Athletes Village, located in the Nizami district, in Baku, involving 13 buildings, 16 different types of apartments with three or four bedrooms.

50 national Olympic committees participated during this game. At the same time, 20 different sports was represented and International Sports Broadcasting hosted broadcaster of the European Games. On 13 November 2014, Motorola Solutions also was assigned to Baku 2015 as the Official Radio Communications Supporter. As a distributor of Motorola Solutions, Telecom Invest provided all the services and solutions during the Baku 2015.
