Baku is the capital and largest city of Azerbaijan, as well as the largest city on the Caspian Sea and the whole Caucasus region. Islamic Solidarity Games was a multinational, multi-sport event which was held in Baku Azerbaijan from 12 to 22 May 2017. All 56 members of the Islamic Solidarity Sports Federation participated at the Games. 17 competition venues were used during the Games. Baku National Stadium was the main used place with its 69.870 seats. During the games 12500 needed volunteers were registrated.

Motorola Solutions was the supporter of the solutions of radio communication. As a distributor of Motorola Solutions we provided solutions and services during the games. We had started the project of Baku 2017 since 2016. At the same time, other global companies were official sponsors and supporters with their solutions for Baku 2017.
